

BOARD MEMBER RESIGNATION

The Board believes that any person who seeks election to the Board should do so with full knowledge and appreciation of the investment in time, effort and dedication expected of all Board members and with the intent to serve a full term of office.

If, for reasons of health, change in residence or other compelling circumstances, a member must resign from the Board, the member should notify the Board Chair of his/her intent to do so as soon as possible so that the Board may plan appropriately for declaring a vacancy.
