

Early Release

Lincoln Early Release Day September 15, 2021

Students will be dismissed starting at 1:00 p.m.

This school year, our building goals will focus on:

- Implementation of our district programs, Illustrative Math (K-5 students), Envision Math (6th grade) and CCC for reading, Center for Collaborative Classrooms (K-6).
- Continuing to develop and utilize the tools of technology to increase student engagement with their learning.
- Continuing with the practices of PBIS (Positive Behavior Interventions and Supports) to ensure students are taught the behavior expectations in all areas of the school.
- Develop the practices and components associated with a Multi- Tiered Systems of Support (MTSS) to address all students' learning needs.

With the above goals in mind, this week's staff professional learning time will focus on Google/Seesaw platforms, IXL, Moby Max (rosters), RAZKids, LearnZillion and Computer Login cards. Staff will be reviewing and updating platforms in order to support student learning opportunities and on-going communication.

Our Special Education Teachers will be learning the new platform, Adori, that will be managing and monitoring Individual Educational Plans for students.

Educationally Yours,

Heather Gauthier, Principal
