

# Early Release

**Lincoln Early Release Day September 29, 2021**

**Students will be dismissed starting at 1:00 p.m.**

This school year, our building goals will focus on:

- Implementation of our district programs, Illustrative Math (K-5 students), Envision Math (6th grade) and CCC for reading, Center for Collaborative Classrooms (K-6).
- Continuing to develop and utilize the tools of technology to increase student engagement with their learning.
- Continuing with the practices of PBIS (Positive Behavior Interventions and Supports) to ensure students are taught the behavior expectations in all areas of the school.
- Develop the practices and components associated with a Multi- Tiered Systems of Support (MTSS) to address all students' learning needs.

With the above goals in mind, this week's staff professional learning time will focus on our reading program, Center for Collaborative Classroom (CCC). Staff will be reviewing the assessments embedded within our program to understand students' current level of performance and how best to inform their instruction.

Educationally Yours,

Heather Gauthier, Principal
